

Mission Team

So you want to bring a team on mission?
Here is how to get started:

1. Pray

You need to be led by the Holy Spirit throughout this process. While everyone is called to be on mission with Christ, not everyone is called to be on every mission trip. Through much prayer and seeking wise counsel, be certain that this is the trip to which you are called.

2. Get Your Passport

Everyone should have a passport, just in case the occasion requires it. Encourage all those who are thinking about going on the trip to start that process now, even if they are unsure about the trip.

3. Get Information

Read all the online material about the trip, study the location, call or email ETC to get more information. Check the dates, costs and details. Be sure to check arrival and departure times/dates and plan your travel accordingly.

4. Complete the Team Member Info Form

This form provides key information to the ETC staff and helps us ensure we are communicating completely as the trip nears. This form should be completed by the person who will be leading the team from your church or group. Please mail or email it to:

ETC Ministries
219 Wickwood
Spring, TX 77386
Email: steve@exposedtochrist.com

5. Start Saving and Raising a Support Team

Some trips are costly, with transportation, room and board costs always escalating. Start setting aside money today. Check on deposit dates to ensure you will have the money in time. Start putting together a list of those who will pray for you and may give you funds to help your team pay for the trip.

Before you arrive:

- Obtain a copy of each team member's insurance card as well as medical information and release. We will be purchasing trip insurance for all team members.
- For out of country trips: Obtain two good copies of each member's passport photo page. This information is needed to purchase plane tickets and is held on file should you lose your passport while out of the country. Please send one copy to the ETC office.
- Make sure passports are current, with at least 6 months beyond the trip dates.
- Anyone under 18 must have a notarized permission form signed by a parent.
- Put a copy of your passport photo page inside each piece of luggage you carry outside the country.
